

MOTOR FINANCE REMEDIATION – ARE YOU READY?

ASSESS YOUR REGULATORY READINESS WITH A CONFIDENTIAL, TAILORED, EXPERT-LED REVIEW

SIX CRITICAL QUESTIONS EVERY FIRM SHOULD BE READY FOR

Is your data complete

Do you hold structured, traceable customer and commission records?

Case Handling Capacity

Do your teams have the tools, guidance, and governance to deliver?

Controls

Are your governance processes audit-ready and legally defensible?

Are your workflows scalable

Can your remediation approach handle high volumes efficiently?

Redress Rules

Are decisions consistent, documented, and aligned with FCA expectations?

Legal challenge or scrutiny

Would your framework hold up under legal challenge or scrutiny?

WHAT OUR READINESS ASSESSMENT COVERS

Data Readiness

We assess the completeness and traceability of your historic records.

Regulatory Risk

We review governance frameworks and compliance controls.

Customer Experience

We examine complaints data, outcomes and redress strategy

Operational Readiness

We evaluate workflows, team capability, and automation potential.

Financial Exposure

We provide evidence-based projections to help model potential liabilities and financial exposure

Legal Support

We assess privilege strategy, litigation risk, and broker oversight.
